To Whom It May Concern,

**Re: Reference for San Ashgar and Lions Gate Construction.**

This letter is in support of San and his contracting services.

I've had the pleasure of working with San on two orthodontic specialty office projects. In Pitt Meadows, his company brought to life (from the ground up) our vision of a brand new state of the art orthodontic office... patients continue to comment on how great the space is. In Richmond, his company renovated my office (which was 35+ years old) and freshened it up!

From beginning to present, San has been the consummate business professional. He has communicated clearly what needs to be done and has always finished work to my full satisfaction.

I am proud of my work space and thank San for his role in helping me achieve this.

I have no reservations in recommending San for his contracting services. If you should have any questions, please feel free to contact me.

Sincerest Regards,

Dr. Asef Karim
